LOGNOTE -- Chief, Operations Group, 11 December 1985

1. (Lowcock) [] advised today that he has spoken to his CMO who told Norm that O/P will be advising FBIS that Norm's rotation to FBIS will be approved contingent upon PMCD vacancies being filled. Prospects for this happening soon are bleak as PMCD has just had two prospective candidates drop out of processing. [] currently chief of Norm's branch, will be appointed Deputy Chief, PMCD effective 6 January 1985, thus leaving another vacancy in that branch to be filled. Bottom line is that we will just have to wait and see what happens, but not to expect Norm here anytime in the near future.
